Section II

Submit required attachments listed below. Please be clear and brief. Limit each attachment to a maximum of one page, double spaced, and typed.

A. Scholarship.

➤ **Graduate Students:**

Must have **completed 6 units of graduate-contract eligible units**. Identify any upper division courses taken for graduate credit, and obtain Dr. Pignotti's initials for verification.
Minimum cumulative GPA for all SJSU courses in 3.5.

➤ **Undergraduate Students;**

Must have **completed 12 units of NuFS major courses**. Minimum cumulative GPA for all SJSU courses must be 3.0.

Indicate your overall GPA, your GPA at SJSU, and your GPA in Nutrition and Food Science Courses. These can be downloaded from "My SJSU" information. Attach a copy to this application. Also, include transcripts from previous schools attended, if applicable. List any scholarship awards and other honors which you have received.

All applicants must include the following:

- Overall GPA _____ GPA at SJSU _____ GPA in NUFSP classes _____
- Attach MySJSU Transcript (Also those from previous universities if applicable)
- Scholarship/Honors/Awards * If already chosen: Graduate Project Topic

B. Service

- Attach a statement detailing your service (since you have been a student at SJSU) to the community, university, and/or department). **Service is volunteer work not paid work or class projects.** Include: memberships in organizations, leadership positions, and other professional activities.

C. Professional Promise

- State your professional plans and pertinent experience in that direction. **Attach a letter of support from a NUFS & PKG Professor or Internship, Work, or Volunteer/Supervisor.** Letters should address your stated professional plans and how your experience and performance have contributed to these.

Attachments. All attachments must be headed by your Student ID Number and “letter/title” of the area that each attachment supports: **A (Scholarship), B (Service), and C (Professional Promise).** Submit each attachment on a separate page. Organize the order of attachments (A, B, C).
