

Bridging Research & Practice

Center for Nursing Research & Innovation Research Days 2009

In collaboration with:

- ★ El Camino Hospital
- ★ Kaiser Permanente – Northern CA
- ★ Laguna Honda Hospital
- ★ Mills Peninsula Health Services
- ★ Santa Clara Valley Medical Center
- ★ San Jose State University – School of Nursing
- ★ UCSF Children’s Hospital
- ★ UCSF Medical Center
- ★ John Muir Medical Center – Concord & Walnut Creek campuses
- ★ Kaiser-San Francisco
- ★ Lucile Packard Children’s Hospital
- ★ Oregon Health & Science University, Hospitals & Clinics
- ★ San Francisco General Hospital
- ★ Stanford Hospital and Clinics
- ★ UCSF School of Nursing
- ★ VA Medical Center, San Francisco
- ★ VA Palo Alto Health Care System

South San Francisco Conference Center ♦ 255 Airport Blvd., South San Francisco

DAY 1

Research Role Development Workshops Day

Date: Thursday, October 29, 2009
Time: 8:00 a.m. to 4:00 pm
Credits: 2 CE Hrs per session

Back by popular demand – Evidence-based Practice Research Role Development Workshops: these workshops will provide the novice investigator with basic information necessary to develop, fund, conduct, analyze, present and publish an evidence based quality improvement or research project. Some of the planned workshop topics include:

- Your First Research Project
- Principles of Measurement – Measurement Sources & Characteristics of Good Measurement
- Understanding Research Results
- Excel for Absolute Beginners
- Clinical Research Design Basics – Fitting the Method to the Question
- Primer on Qualitative Methods
- Using Simulation Training in Research
- Information Literacy
- Building Capacity for Research and EBP in Hospitals – a Model
- Synthesizing the Evidence and Identifying Best Practice
- The Art & Science of Engaging Peers in Unit-based Research, EBP and QI Projects
- Implementation Science – Sustaining and Spreading Good Innovation
- Lessons Learned: Publishing in a Peer Reviewed Journal for the FIRST Time
- Grantsmanship and Proposal Writing for Beginners
- Launching and Leading Journal Clubs
- Disseminating the Good News: Creating Abstracts, Posters and Publications

DAY 2

11th Annual Research in Action Day- Podiums & Posters

Date: Friday, October 30, 2009
Time: 8:00 a.m. to 4:00 pm
Credits: 5 CE Hrs full day only

Keynote: Julia Aucoin, DNS, RN, BC, Chief Knowledge Officer, Practical Success

“Generating Research, Changing Practice, Accountability for Quality”

- Hear colleagues present results of research efforts and creative projects that are improving patient care.
- Participate in exciting poster session presentations and discover clinical innovations that work!
- Network with colleagues in informal discussions over a casual lunch.
- Enrich your ability to transform your good ideas into projects that make a difference.

Registration Fees:

Research Role Development Workshops Day-
Center Partners -LPCH, Stanford, UCSF = \$75 each
All other sponsoring hospitals(see above) = \$95 each
Non-Sponsor fee = \$140 each

Research in Action Day – Podiums & Posters

Presenters (podium) = No charge
Presenters (poster)= \$40
All sponsoring hospitals (see above) = \$100 each
Non-Sponsor fee = \$150 each

Two Day Registration

Two day fee sponsors= \$150
Two day fee non-sponsors= \$250

All Discounts end October 23rd

To register online go to here.

Center for Nursing Research & Innovation
Research Role Development Workshops Day 2009
October 29, 2009 Program Overview

<i>Investigative Role Development Track</i>	<i>Research Methods for Novice Investigator</i> <i>SALON AB</i>	<i>Research Methods for Advanced Beginner Investigator</i> <i>SALON CD</i>	<i>Evidence-Based Practice</i> <i>BADEN A</i>	<i>Grantsmanship, Publications, and Posters</i> <i>BADEN B</i>
Session 1 8:30- 10:15	Principles of Measurement— Measurement Sources and Characteristics of Good Measurement Lynn Forsey	Clinical Research Design Basics—Fitting the Method to the Question Deb Eldridge	Building Capacity for Research and EBP in Hospitals—A Model Nancy Donaldson Susan Shapiro	Lessons Learned: Publishing in a Peer Reviewed Journal for the FIRST Time Panel—Gretchen Summer Moderator
Session 2 10:30-12:15	Understanding Research Results Susan Shapiro	Primer on Qualitative Methods Annette Nasr	Synthesizing the Evidence and Identifying Best Practice Garrett Chan	Grantsmanship & Proposal Writing for Beginners Deb Eldridge
LUNCH 12:15 TO 12:45				
Lunch & Learn 12:45-1:45	Your First Research Project Julia Aucoin	Using Simulation Training in Research Gretchen Summer	The Art & Science of Engaging Peers in Unit-based research, EBP and QI Projects Panel—Lynn Forsey, Moderator	Launching and Leading Journal Clubs (including e-journal clubs) Marti Buffum
Session 3 2:00-3:45	Excel for Absolute Beginners Raymond R. Balise & Rebecca McCue	Information Literacy-- Lynda Copeland-Fields	Implementation Science: Sustaining & Spreading Good Innovations Nancy Donaldson	Disseminating the Good News: Creating Abstracts, Posters, and Publications Marti Buffum

Faculty

Julia Aucoin, DNS, RN, BC, Chief Knowledge Officer, Practical Success

Raymond R. Balise, PhD, Research Software Developer, Health Research & Policy (HRP),
Stanford University

Marti Buffum, DNSc, APRN, BC, CS, Associate Chief, Nursing Service for Research, VA
Medical Center, San Francisco

Garrett Chan, RN, PhD, CNS, NP, Lead Advanced Practice Nurse, Clinical Decision Area/
Emergency Department Stanford Hospital & Clinics

Linda Copeland-Fields, RN, MSN, Medical-Surgical-Trauma, Neurosurgical ICU, Stanford
Hospital and Clinics

Nancy Donaldson, RN, DNSc, FAAN, Director, Center for Nursing Research & Innovation,
Clinical Professor, UCSF School of Nursing

Deb Eldredge, PhD, RN, Assistant Professor, Oregon Health & Science University, School of
Nursing

Lynn Forsey, RN, PhD, Program Director- Nurse Scientist, Patient Care Services, Stanford
Hospital and Clinics

Rebecca McCue, Social Science Research Assistant Department of Anesthesia, Stanford
University

Annette Nasr, RN, PhD, Nurse Scientist, Lucile Packard Children's Hospital and Assistant
Clinical Professor, UCSF

Susan E. Shapiro, RN, PhD, CEN, Clinical Professor, Senior Nurse Scientist, Center for Nursing
Research & Innovation, UCSF School of Nursing

Gretchen Summer, RN PhD, Associate Director, Nursing Research Program, Kaiser
Permanente Northern California Regional Division
