### ARE YOU A RESIDENT OR NONRESIDENT?

Each corporation, individual/sole proprietor, partnership, estate, or trust doing business with the State of California must indicate residency status along with his or her vendor identification number.

A **corporation** if it has a permanent place of business in California. The corporation has a permanent place of business in California if it is organized and existing under the laws of this state or, if a foreign corporation has qualified to transact intrastate business. A corporation that has not qualified to transact intrastate business (e.g., a corporation engaged exclusively in interstate commerce) will be considered as having a permanent place of business in this state only if it maintains a permanent office in this state that is permanently staffed by its employees.

For individual/sole proprietors, the term "resident" includes every individual who is in California for other than a temporary or transitory purpose and any individual domiciled in California who is absent for a temporary or transitory purpose. Generally, an individual who comes to California for a purpose, which will extend over a long or indefinite period, will be considered a nonresident.

For withholding purposes, a **partnership** is considered a resident partnership if it has a permanent place of business in California. An estate is considered a California estate if the decedent was a California resident at the time of death and a trust is considered a California trusts if at least on trustee is a California resident.

More information on residency status can be obtained by calling the Franchise Tax Board at the numbers listed below:

From within the United States, call 1-800-852-5711  
From outside the United States, call 1-916-845-6500  
For hearing impaired with TDD, call 1-800-822-6268

### ARE YOU SUBJECT TO NONRESIDENT WITHHOLDING?

Payments made to nonresident vendors including corporations, individuals, partnerships, estates and trusts are subject to income tax withholding. Nonresident vendors performing services in California or receiving rent, lease or royalty payments from property (real or personal) located in California will have 7% of their total payments withheld for state income taxes. However, no California tax withholding is required if total payments to the vendor are \$1,500 or less for the calendar year.

A nonresident vendor may request that income taxes be withheld at a lower rate or waived by sending a completed form FTB 588 to the address below. A waiver will generally be granted when a vendor has a history of filing California returns and making timely estimated payments. If the vendor activity is carried on outside of California or partially outside of California, a waiver or reduced withholding rate may be granted. For more information, contact:

**If a reduced rate of withholding or waiver has been authorized by the Franchise Tax Board, attach a copy to this form.**

### **FOREIGN CITIZENS and FOREIGN BUSINESSES**

**Federal tax withholding regulations differ significantly from California tax withholding requirements. A tax analysis consultation and additional forms must be completed before a payment can be released.**
