

ANNUAL AWARDS & RECOGNITION EVENT

HONORING OUR SUPPORTERS OF 2009

**Thanks to partners like you,
together we served an average of nearly 230,000
people each month in 2009. It would have been an
impossible feat without you.**

**The food and dollars that your efforts provided
have nurtured our community. You may never
know their names or see their faces but
your good deeds have changed lives.**

**Every meal has a story and tonight you'll get
a chance to hear some of them. So pat yourself
on the back and see what you have done
to move us closer to becoming a
hunger-free community.**
