WRITING REFLECTION

The Central Topic

Write a brief reflection that responds to the following questions:

1. Looking back at your graduate experience so far, what aspects of your writing are strongest, and why?
2. Looking ahead to future writings you may undertake, what areas of writing need additional work, and why?
3. What aspects of the writing assignments in this course have you enjoyed, and why?
4. What aspects of the writing assignments in this course did you find most challenging, and why?

Essential Information
