

Welcome to today's discussion! We want to thank you for attending today, and encourage you to participate and share. We will be discussing different parenting strategies and available resources to assist you and your children. You are the experts of your lives, and I'm sure things you have been doing at home could be helpful to other parents in attendance, so please feel free to share your experiences.

Your participation in this group and questionnaire to be filled out before and after the class will provide valuable feedback to evaluate this event and to further research on the effectiveness of parent education groups. Again, welcome, and please feel free to ask questions and share your experiences or comments. Please also wait for instructions before completing this questionnaire. **Thank You.**

Please answer the following open-ended questions:

Detailed information here will help us better understand your experiences at this event and how to improve services in the future.

11. Did you find this event (including handouts and materials) helpful? Why or Why Not? Please explain.

12. If there were to be events like this offered in the future, what topics would you like included?

13. Did this event change your feelings about your parenting abilities? If so, how? If not, why not? Please explain.

14. Did this event increase your knowledge of how to improve your child's behavior? If so, how? If not, why not? Please explain.

15. Did this event increase your knowledge of how to improve your child's academics or school performance? If so, how? If not, why not? Please explain.

16. Is there anything else you would like to add or comment on?

Thank you very much for your answers and for your participation in this discussion and this study. Your participation is appreciated, and will help in the evaluation of this event. We hope more events like this can be offered in the future.
