Dear [REDACTED]

This is [REDACTED] (MSW) Student Intern from San José State University. As part of the requirements for the MSW program, I am conducting my 298 research study on Trauma-Focused Cognitive Behavioral Therapy (TF-CBT) and Survivors of Child Sexual Abuse (CSA) treatment group. This study will help promote understanding of the TF-CBT treatment modality and how it can effectively help treat children and adolescents that are affected by CSA.

I would like to invite you to participate in a 30-minute face-to-face individual interview with me. It would be scheduled at your earliest convenience and at [REDACTED]. Your participation in this research study is voluntary and all private information will remain confidential; your participation or non-participation will not affect your employment or relations with San José State University or [REDACTED]. The results of this research study may be published but your identity or private information will remain confidential.

If you have any questions about the research study or would like to participate, please contact me [REDACTED] or [REDACTED] phone number [REDACTED].

Thank you very much!

[REDACTED] Student Intern
