

Journal Writing Guidelines
Prof. Ashton
Eng 71

- Use college-ruled marble style composition book as shown in class only.
- Please use ink
- Write on one side of the page only
- Leave first 4-5 pages blank to use for **DAILY LINES**. Label the top of each page as such.
- For **DAILY LINES**, label and date each weekly section (ie: “Sensory Observations 8/27- 9/2” or “Overheard Lines.”)
- For **DAILY LINES**, you need 5 per week unless otherwise indicated.
- All other Journal Entries require the date **and** label (ie: “10/5 RR Edgemont Drive”)
- Please **DO** use your journal for in-class note-taking or your own ideas as they arise. Simply label Class notes, or My thoughts.
- Give each assigned entry its own page. I have never had a student fill the journal. If you do, I’ll get you a new one!
