

Get started with a Pearson MyLab or Modified Mastering product and your institution's Blackboard, Canvas, Desire2Learn, or Moodle Learning Management System

First, make sure you have these 2 things...

Email address: You'll get some important emails from your instructor at this address.

Access code or credit card: The required access code comes either with your book or by itself at your bookstore. Alternatively, you can buy instant access with a credit card or PayPal account during registration.

Next, register!

1. Log in to your campus's Blackboard Learn, Canvas, Desire2Learn, or Moodle **Learning Management System**. From here, look for a link to the **Pearson Tools** page in your course, and then click on the link to your **MyLab or Modified Mastering product** to begin the registration process.
2. Sign in with your Pearson account:
 - a. If this is the first time you have taken a Pearson MyLab or Mastering course linked to your learning management system, you will be prompted to login with your Pearson account. If you have a Pearson account, enter the username and password. If you don't have a Pearson account, select the option to Create a new Pearson account. Once complete, move to step #4.
 - b. If you have previously taken a Pearson MyLab or Mastering course linked to your learning management system you will not be prompted to login and you will be asked to enter your access code (see step #4)
3. When prompted for access, click the **Access Code** button if you purchased a package with an access code from the bookstore, OR purchase instant access now by clicking on the purchase options under the **Use a Credit Card or PayPal** section. You may also select Temporary Access without payment for 14 days.
4. You are now registered! Click on the "Go to your course" button to access your MyLab or Modified Mastering product.
