Lesson Plan Assignment for a 2-day lesson (45 minute periods)

Requirements for Part A

Due Date for Part A: October 1st

Topic:

- You may select any topic from our list of “Selected Topics” that relates to Geography from the History-Social Science Framework for California Schools (2009)
- Your topic must be approved before you proceed with your lesson. You must let me know by email by Tuesday, Sept 24th. Each of you must find a different topic so the person who emails me first gets that topic.

Grade Level:

- Select a grade level – 5th, 8th, or 11th

History-Social Science Framework Content Standard (see our “Selected List”)

- This is the new knowledge will they know when the lesson is completed
- Select only 1 content standard

National Geography Standards (see handout in class or Gersmehl p. 96)
http://education.nationalgeographic.com/education/standards/national-geography-standards/?ar_a=1

- Select 1 or more from the list of 18 and list the Standard #, the Description, and the Essential Element

- Select one of each: Reading, Writing, and Speaking & Listening skills. Include the number of the standard and the description
- This is what students will do to learn the new material

Essential Question(s):

- Create 1-2 Essential Questions for this 2-day lesson

Primary and Secondary Resources: Use MLA citation format

- Include a minimum of 2 Primary sources you will have the students read. If the document is too long for students to read, create an excerpt that is appropriate for your grade level
- Include at least 1 Secondary source (book, article, “reputable” website, etc.)

(Part A Continued on next page)
Worksheets for Analyzing Primary Source Documents

- Include a minimum of 2 worksheets to be used with the Primary Sources you selected above.
- Use any of the 3 formats we discussed in class: Bloom’s Taxonomy (Six Levels), Depth of Knowledge (DOK Wheel and/or Stems), N.A.R.A. worksheets (with questions added/adjusted for your specific content)
- Turn these in as hard copies along with the excerpts of your 2 Primary Source documents

Key Academic Language

- List only the important Tier 3 terms you will teach in this lesson

REQUIREMENTS FOR PART B

DUE DATE FOR Part B: October 29th

Overview/Rationale:

- This will be a brief paragraph (5-6 sentences) describing the historical and geographic importance of your lesson in the scope of U.S. History.

Materials

- Include copies of any other worksheets you created (attach hard copies)
- List any supplies needed to carry out your “Procedure.”

Instructional Strategies

- Think of this as a selection from your “Toolbox” to teach the content and skills.
- Include at least 2 general Instructional Strategies that we have discussed in class

Gersmehl’s Geography Connections

- Include at least 3 ideas or activities from our Text. These may come from any of the chapters and/or from the suggested activities in the Transparency section in the back (pages 179-303)

Summative Assessment

- A Backwards-Design Approach asks you to think of the assessment first.
- Create a Document-Based Essay (DBQ)

Step-by-Step Procedure: Should include:

- a description of what the students will specifically do during the class to prepare them for the outcomes you expect of them
- a description of what the teacher will do to guide the learning
- activities, assignments & readings that address your Content & Skill Objectives

(Part B Continued on next page)
• differentiated activities to meet the needs of all learners
• a few brief formative assessments (checks along the way to see if students are understanding the content) ex. “brilliant generalizations,” thumbs up/thumbs down; Think/Pair/Share
• activities where students analyze the 2 primary source documents (Bloom, NARA, DOK)
