Econ. 1A: My First Class Note

1. **Adam Smith** (1723-1790): Founder of Economics

**How to study Economics:**

1. **J. M. Keynes**

   Economics is a *difficult* and *technical subject*, but nobody will believe it.

2. **Bade and Parkin**

   Everyone agrees that the only way to learn economics is to do it!

   Reading and remembering doesn’t work.

   Active involvement, working problems, repeated self-testing.

   These are the ingredients to success in this subject.

   ******.

**How to learn Macroeconomics in our class.**

1. **Read the textbook first.**

2. **Do study plan in MyEconLab.**

3. **Do Homework (assignments) in MyEconLab.**
