SUBJECT: 125th Anniversary Open House

*It isn't possible for me to write an individual letter to all of you who worked so hard to make the 125th Anniversary Open House the success it was. More than 11,000 people turned out for the Open House, and I am very grateful to you for your hard work and creativity. You helped put our very best foot forward.*

*We have scheduled Open House again for May 6 and 7, 1983. I hope you will take the opportunity then to once again help draw community attention to San Jose State University.*

*You will hear more from the Committee on Open House 1983. I know we can look forward to faculty and staff participation and more of the enthusiasm and creativity that were characteristic of this year's happening.*

*Thank you again for helping celebrate our 125th anniversary.*
