MEMO TO: Deans, Chairs, Directors and Administrative Heads

FROM: Robert L. Caret, President

SUBJECT: Presidential Directive, 98-03
        APPROVAL OF TRAVEL REQUESTS AND
        DELEGATION OF AUTHORITY

The attached CSU Executive Order, No. 688, delegates to each campus President the authority to approve out-of-state and in-state travel requests.

By this Presidential Directive, I am sub-delegating the authority to approve out-of-state and in-state travel requests on this campus to the appropriate Dean, or Vice President.

International travel must be approved by the Provost or Vice President for the employee's unit.

These authorizations may not be sub-delegated further.

Please note that the criteria for travel requests has been expanded to include trips that relate directly to campus programs, including development activities.

Subject: Delegation of Authority - Approval of Travel

Supersedes: Executive Order No. 156

I am transmitting a copy of Executive Order No. 688 which delegates authority to each president to sub-delegate authority to approve out-of-state and in-state travel requests.

Executive Order No. 688 changes Executive Order No. 156 as follows:

• The authority of presidents to sub-delegate authority is not limited to delegation to a single officer at the vice president or dean level.

• Only international travel for presidents needs to be approved by the chancellor or the executive vice chancellor in advance, not domestic travel.

• Criteria for travel requests have been expanded to include trips that relate directly to campus programs including development activities and objectives.

• Presidents no longer need to certify to the chancellor actions taken with respect to campus travel requests.

In accordance with the policy of The California State University, the campus president has the responsibility for implementing Executive Orders where applicable and for maintaining the campus repository and index for all Executive Orders.
