

Demographic Profile of SJSU Students

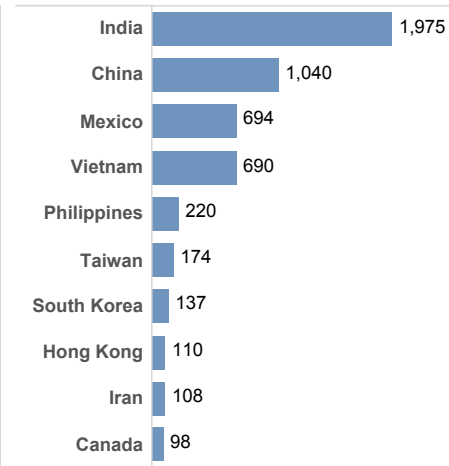

Race/Ethnicity

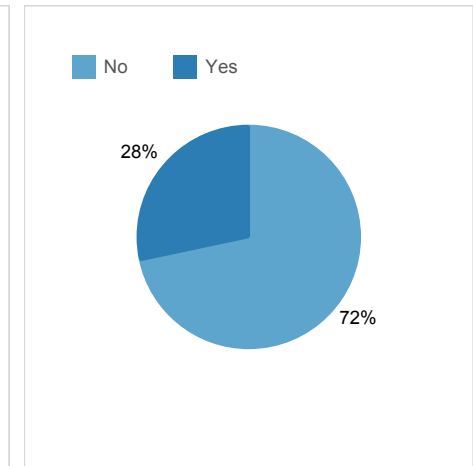

Residence

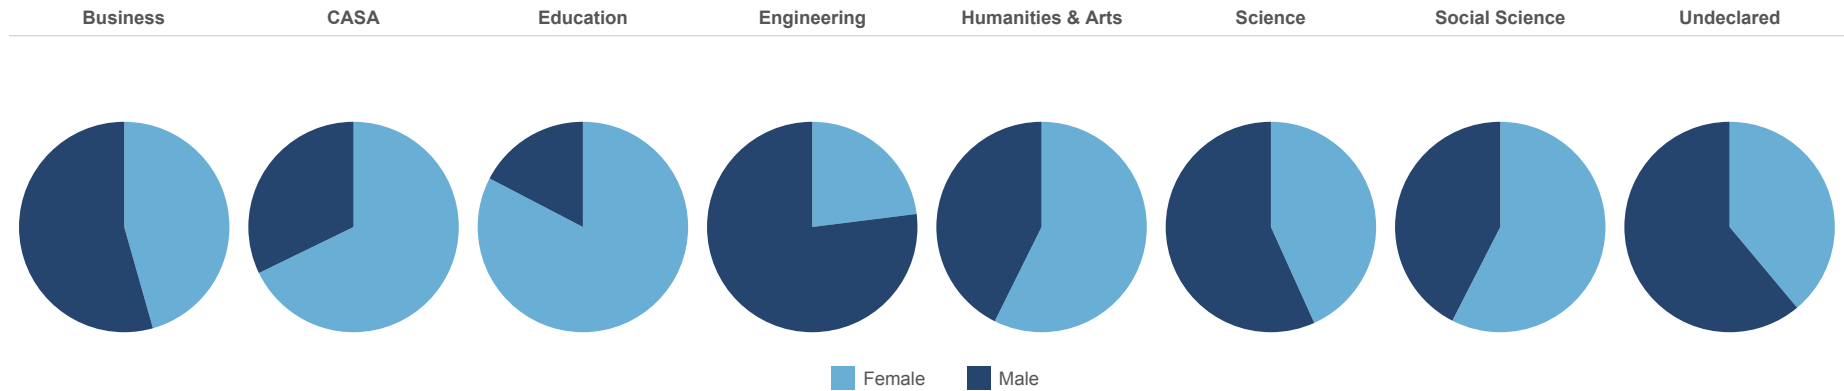

Top 10 Countries of Origin

First Generation in College

Gender Mix by College

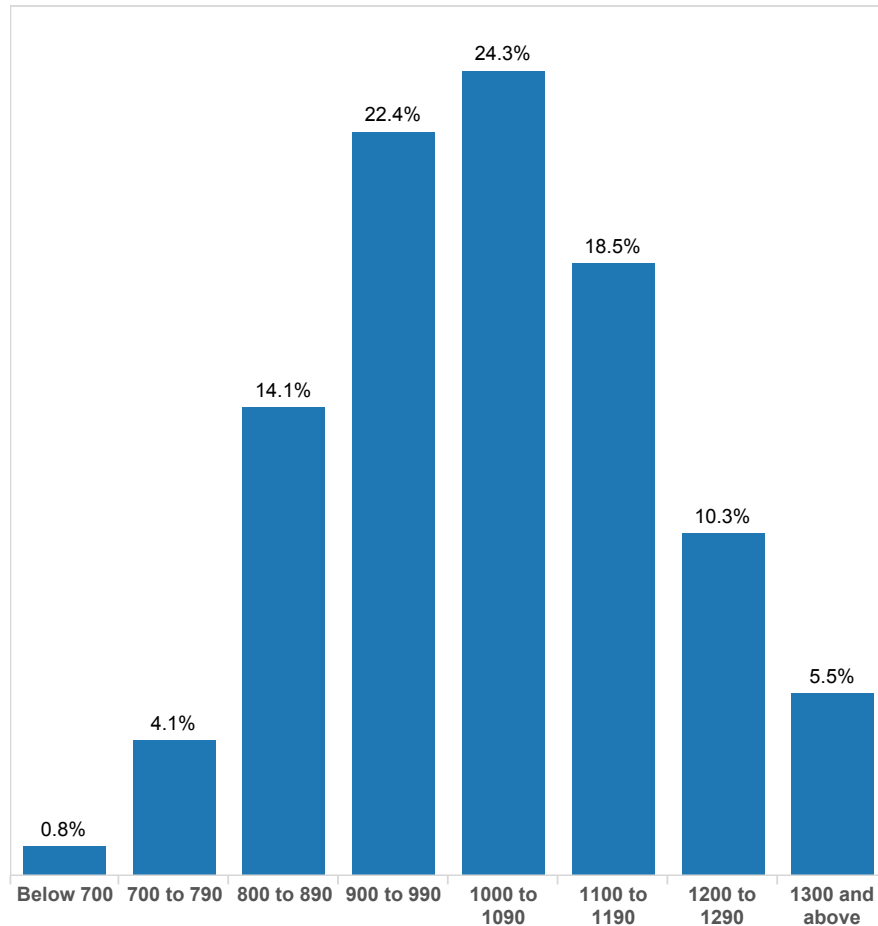

Figures are for Fall 2016 in state-supported programs.

CA local residents are defined as freshmen from Santa Clara County or transfers from either Santa Clara or Santa Cruz Counties. Many CA non-local residents are still from the Bay Area.

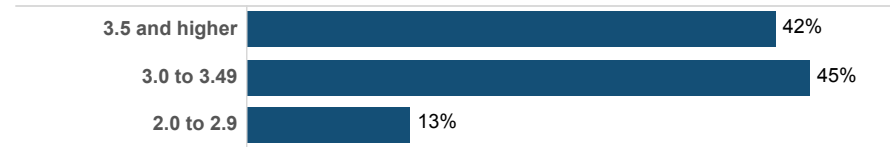

Country of origin is only for students who indicated a non-US birthplace, regardless of citizenship or visa status. All profiles here are for state-supported degree and credential programs.

High School Background and Academic Preparation

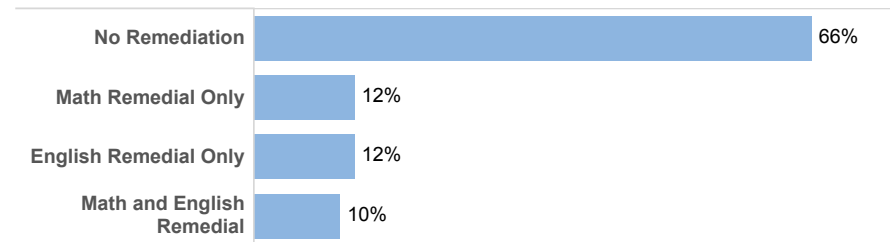

SAT Composite Distribution

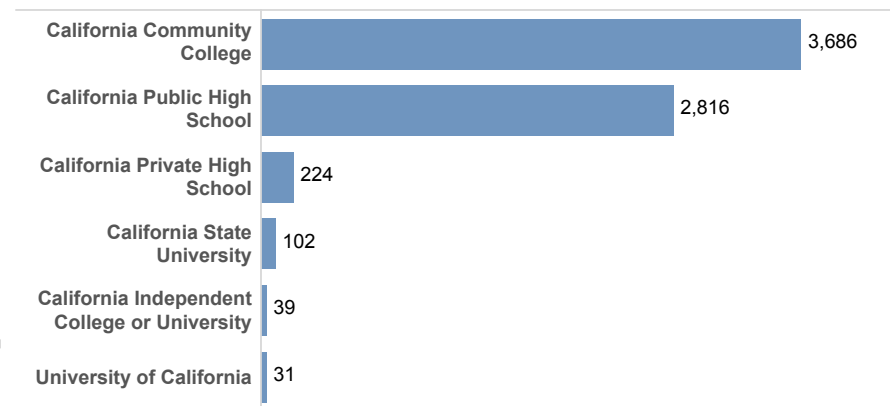

High School GPA

Entry Level Math (ELM) and English Placement Test (EPT) Outcomes

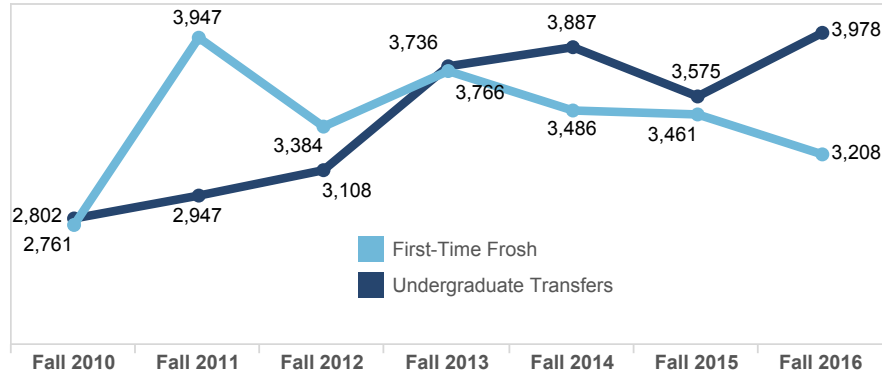

Prior Institution

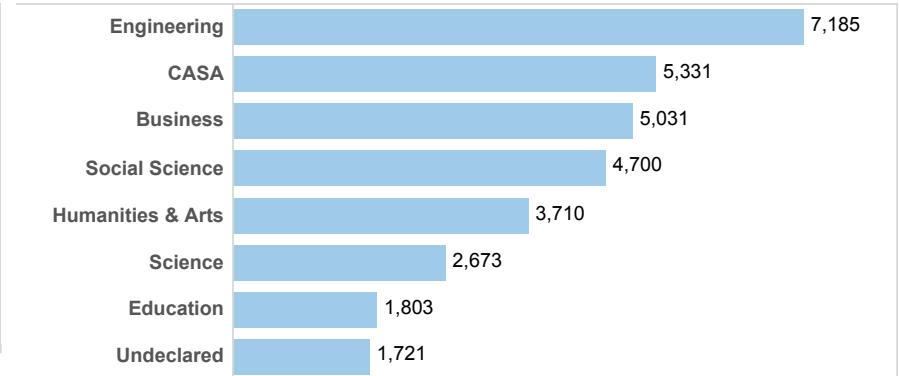

Figures are for entering first-time freshmen in Fall 2016. Remediation level is based on their status at the beginning of the term. A small percentage of entrants did not have an SAT score and thus are excluded from that distribution.
