- Study guide recommended.

Classroom Protocol:
This course is based on the active participation of the student, and the main requirement is READING and ATTENDANCE. You are expected to read the assigned materials before class, so that the teacher can elaborate and expand. Because of time constraints it may not be impossible to cover all the segments of a given unit. However, you are responsible for all the assigned reading, as the exams will include questions from ALL the parts of the unit. We will cover one chapter per week, and follow the sequence of the textbook, chapter-by-chapter. Some parts of the chapters will be skipped, please see reading list below.

The best way to contact me is via e-mail. In the subject line please specify the title of the class. If you leave a phone message, speak slowly and clearly, and when you leave a phone number speak VERY clearly, and repeat the number.

Attendance:
Your regular attendance and participation are factors contributing to the successful completion of this course. If you do not attend class you will miss on the opportunity to ask questions and to get clarifications. In addition, please make all effort to come to class on time. Tardiness disturbs the instructor and other students, and also deprives you of the short reviews of the previous lecture that are presented at the beginning of each class.

If you hold a full time job, please make all effort to attend class regularly, and to study each night for at least an hour and a half. Cramming before the test has not been very
effective for most students. As you read, take notes and go over the material that has been
discussed in class, pay attention to concepts, and examples of these concepts. Be familiar
with important studies. Chapter summaries are posted on my website (see address above).

Distractions:

You cannot surf the Internet, text-message, check your messages or respond to cell-
phone during class. Please DO NOT leave class to use cell-phone.

Teacher Availability:
Do not hesitate to e-mail me or to come by with questions. If you have not done so well on
any of the tests, please come to see me ASAP, in order to go over test questions that you
missed, so we can understand how you interpreted the questions, and devise strategies for
doing better on the next test.

Dropping and Adding

Students are responsible for understanding the policies and procedures about add/drops,
academic renewal, etc. Information on add/drops are available at http://info.sjsu.edu/web-
dbgen/narr/soc-fall/rec-298.html. Information about late drop is available at
http://www.sjsu.edu/sac/advising/latedrops/policy/. Students should be aware of the current
deadlines and penalties for adding and dropping classes.

Assignments and Grading Policy

Homework Assignments:
To help you process and retain the information, you will be assigned glossary review
and quizzes from the above-mentioned link. It is up to you to follow the assignment.

Extra Credit:
Please note that I do not give extra-credits. Your mastery of the subject matter as
measured on the exams is the factor that counts.

Grading:
We are going to have 3 multiple choice midterms, of 50 questions each, and a final, of
100 multiple-choice questions. The questions are factual, conceptual, and applied. The
final grade is calculated as the number of correct answers divided by 250 (total
number of questions). The Final is cumulative.

The grading scale:
A+  98-100%
A   93- 97
A-  90- 92
B+  87- 89
B   83- 86
B-  80- 82
Exams:
We will have 3 midterms and a final. Each midterm will consist of 50 multiple-choice questions. Each question is worth 2 points. The questions are factual (specific information), conceptual (assigning a concept to a scenario), and applied (use the information to offer solution to a problem). Each midterm will cover about 3 to 4 chapters. Please bring a scantron (#882) and a pencil. The final will include 100 multiple-choice questions covering all the information of the course.

Exam Dates:

Exam 1: Wed. March 2, 2011

Exam 2: Wed., April 6, 2011

Exam 3: Monday, May 9, 2011

Final: Friday, May 20, 2011, 09:45-12:00

Make up exams:
Please note exam dates and plan your trips and events accordingly. You will be allowed to reschedule an exam ONLY upon the presentation of documented medical reason, or if you have a mandatory, documented school activity. No more than ONE (medical) MU will be given. Forgetting about the midterm date is NOT an excuse.

University Policies

Academic integrity

Students should know that the University’s Academic Integrity Policy is available at http://www.sa.sjsu.edu/download/judicial_affairs/Academic_Integrity_Policy_S07-2.pdf. Your own commitment to learning, as evidenced by your enrollment at San Jose State University and the University’s integrity policy, require you to be honest in all your academic course work. Faculty members are required to report all infractions to the office of Student Conduct and Ethical Development. The website for Student Conduct and Ethical Development is available at http://www.sa.sjsu.edu/judicial_affairs/index.html.

Instances of academic dishonesty will not be tolerated. Cheating on exams or plagiarism (presenting the work of another as your own, or the use of another person’s ideas without
giving proper credit) will result in a failing grade and sanctions by the University. For this class, all assignments are to be completed by the individual student unless otherwise specified. If you would like to include in your assignment any material you have submitted, or plan to submit for another class, please note that SJSU’s Academic Policy F06-1 requires approval of instructors.

**Campus Policy in Compliance with the American Disabilities Act**

If you need course adaptations or accommodations because of a disability, or if you need to make special arrangements in case the building must be evacuated, please make an appointment with me as soon as possible, or see me during office hours. Presidential Directive 97-03 requires that students with disabilities requesting accommodations must register with the DRC (Disability Resource Center) to establish a record of their disability.

The center provides support services, such as skills assessment, individual or group tutorials, subject advising, learning assistance, summer academic preparation and basic skills development. The LARC website is located at http://www.sjsu.edu/larc/.

**SJSU Writing Center**

The SJSU Writing Center is located in Room 126 in Clark Hall. It is staffed by professional instructors and upper-division or graduate-level writing specialists from each of the seven SJSU colleges.
