Required Texts/Readings

There are two sources of readings for this course. Both are required reading. The text can be purchased from the bookstore or on-line at your favorite used (or new) site. We will also be using a number of related articles which could be found on Canvas. I expect you to have completed the readings prior to the class meeting, including the book and the assigned articles. This will greatly facilitate our discussions and will help you get answers to questions that will arise while you read each assignment.
Required Text

Canvas

Only some of the material of this course is on Canvas. To get there, go to [http://my.sjsu.edu/students/index.html](http://my.sjsu.edu/students/index.html)
The login is your SJSUOne name and the password is your SJSUOne password. All of the material shown on the powerpoint during lectures will be available on Canvas. This will not be a sufficient substitute for coming to class, as these powerpoints are simply outlines of the material in your text, and I will be elaborating during the lectures.
In addition to the notes, the Canvas page will have a copy of the course schedule, which I will try to update as we go along, as well as copies of the additional readings required for this course. If you have trouble accessing these materials, come and see me, we will figure it out together.

Office Hours

My office is room DMH 310. If I am not in my office, please send me an email. I will have regular office hours as posted at the top of this syllabus. If you cannot make one of these times, you can e-mail, or see me after class to set an appointment. I want to be available to you. If you email me, you can generally expect a response back in 48 hours during the week. If you email on a Friday or over the weekend, you will not hear back from me earlier than the next Monday. The best time to catch me is right after class and let me know if you need to see me at another time. With office hours it is first come, first served. If you do not want to wait or waited but were not able to see me, please set a time with me individually. During office hours we can discuss course questions or other topics of interest to you.

Course Requirements and Assignments

SJSU classes are designed such that in order to be successful, it is expected that students will spend a minimum of forty-five hours for each unit of credit (normally three hours per unit per week), including preparing for class, participating in course activities, completing assignments, and so on. More details about student workload can be found in University Policy S12-3 at [http://www.sjsu.edu/senate/docs/S12-3.pdf](http://www.sjsu.edu/senate/docs/S12-3.pdf).

- **Quizzes**

The “quizzes” are meant to stimulate your reading of the text and keep you ahead of the lecture material. All quizzes will be multiple-choice and will be based on the assigned readings.
The quizzes are completed in first 10-15 minutes of class. The quizzes will not be repeated so if you are not in class on the day that the quiz is given to you, you will miss 10 scores. Please keep track of your quiz schedule and the scores you receive.

- **In Class Assignments**
There will be at least two brief in class assignments given. These will focus on your goals and your graduate school interests. This is a task that is meant to encourage class attendance and class participation. It is also meant to help clarify your goals and values for what you want to do in the future. It will likely take some outside of class preparation in order to do well on the in-class part of the task. You can only turn in the in class assignment if you came to class that day.

- **Vignette Paper**

The vignette response paper is an opportunity for students to apply the knowledge they have gained in the course to a fictitious clinical case. The case provides an opportunity to express and develop knowledge about cultural issues, ethics, treatment planning, diagnostic issues, and more. Writing on the vignette should begin by mid semester and will take a considerable amount of time. The full assignment is on Canvas. You MUST follow the instructions for the write up as they appear on the assignment. This is a scholarly assignment, but you are allowed to talk in the first person, assuming this is your client. However, keep the language more formal and professional. This is how you would talk about your own clients as a psychotherapist.

- **Statement of Intent (Personal Statement)**

Over the course of the semester, I would like you to work on your personal statement that could be used for graduate study, scholarship submission, or other postbaccalaureate study. This is a statement that is written for a particular program, and we will work on it as if you are applying to a particular program (even if you are not, will not, or do not know that program yet; in that case, we make up that program!). There are key elements to this, and it takes much, much more time than you think it will or should take. This is designed to be useful to you and help with one of the hardest parts of the application process.

*Online and in-person (hard copy) submissions*

You must turn in your assignments in two ways: (1) in person, printed copy of the completed paper; and (2) online upload on Canvas. This is a plagiarism detection and originality analysis system. You will receive feedback about the amount of copying you may have done in your paper before you turn in your final version. You can still correct any mistakes or plagiarism based on this feedback BEFORE you turn in your final paper by the deadline. Once the deadline has arrived, the last version uploaded will be your final paper. The following file types are compatible with the online process: MS Word, WordPerfect, PostScript, Acrobat PDF, HTML, RTF, and Plain Text. If you plagiarize your paper it will be detected here. Plagiarism will result in a failure in the course and possible dismissal from the university. I assume that you have completed the plagiarism (tutorial available here: http://tutorials.sjlibrary.org/tutorial/plagiarism/index.htm) by the time you have taken this class. If not, please do so as it will help you avoid making costly mistakes. You must also turn in hard (printed) copies the day each of the papers is due. Please contact me with questions BEFORE the paper is due.
Grading Policy

Grading is based on the following:
1. case vignette assignment (100 points)
2. sum of your class quizzes (100 points)
3. statement of intent (100 points)
4. in-class assignments [values statement; your graduate training] (50 points)
5. Final Exam (50 points)

Classroom Protocol

I believe that the classroom is a professional environment where we co-create a dialogical context to facilitate learning and exchange of knowledge and experiences. The guiding principles are to be respectful and attend to what is going on in class. I expect that you be mindful of these codes of conduct as classroom etiquette breaches will not be tolerated and will be grounds for dismissal from the class.

1. Be polite and respectful to the other people in the class, particularly when engaged in discussion. While I encourage an open discussion of many ideas, please refrain from using language that is prejudicial or hurtful to others.
2. Do not carry on conversations with others during lecture. (If you have a question or point to make, just say it so we can all hear it!)
3. Please turn off your cell phone for the time you are in class. If you need to receive an emergency call, let me know about it in advance. Never take a call and start talking during class.
4. Never bring out a cell phone during an examination period.
5. Do not text message during lecture.
6. You may not use a laptop in class. If you have a disability with a need for such an accommodation to take notes, please contact me and we will make an exception.
7. Attend to the lecture material. Do not work on any other course material during class, including studying for other exams.
8. Do not sleep during class.

The information in the syllabus is for your convenience. Any portion of it may change as seems appropriate, especially the dates on which the tests occur (except the last exam). You are responsible for keeping current on any deviations from the class syllabus, again, particularly rescheduling of tests. Check the class web site if you cannot be in class and
want to check the times for exams, etc. Generally, I will lecture in class, and participation is highly encouraged. Participation makes the class much more interesting and allows you to develop your critical thinking skills. Questions are welcome at any time.

**Definition of a Credit Hour**

Success in this course is based on the expectation that students will spend, for each unit of credit, a minimum of forty-five hours over the length of the course (normally 3 hours per unit per week with 1 of the hours used for lecture) for instruction or preparation/studying or course related activities including but not limited to internships, labs, clinical practica. Other course structures will have equivalent workload expectations as described in the syllabus.

The expectation of work for a 3-credit course is 150-minutes of direct faculty instruction and six hours of out-of-class student work each week.

**Contacting Instructor**

1. **I will answer emails Mon - Thurs, 9:00 - 5:00.** If you email me at night or on the weekends, do not expect a response until the next weekday, at the earliest.
2. **Through email.** Simone.Lundquist@sjsu.edu
3. **By phone.** Best if you need to contact me quickly and cannot use email at the time.
4. **Consider emails for this course as professional correspondence (see sample correspondence at the end of the syllabus).**
   a. **Subject Line** should include your class and a brief description of the issue (e.g., Subject: Psych 160: absence on 10-10-16).
   b. **Greetings** should be formal and use your instructors title (e.g., Dear Dr. Lundquist)
   c. **Identify yourself** and the course/section you are in.
   d. **Issue or question** should be stated clearly, concisely, respectfully, and with attention paid to grammar, complete sentences, and so forth.
   e. **Expect replies within 1 - 3 days.** Polite follow-ups are encouraged if you have not heard from me in a reasonable amount of time.

**Example email correspondence**

**Subject:** Psyc 160: Assignment due date question

Dear Dr. Lundquist,

My name is Miranda Jackson and I am in your 160 class that meets M/W 10:30 - 11:45. I am not sure when the Response Journal assignment is due because of conflicting information. The syllabus schedule says Nov. 5, but the assignment sheet itself says Nov 9. Thank you for your attention to this matter.

Regards,

Miranda

Attendance

NOTE that University policy F69-24 at http://www.sjsu.edu/senate/docs/F69-24.pdf states that “Students should attend all meetings of their classes, not only because they are responsible for material discussed therein, but because active participation is frequently essential to insure maximum benefit for all members of the class. Attendance per se shall not be used as a criterion for grading.”

Attendance is not required; however, it is strongly recommended. I expect you to come to every class. If you do not attend classes, you will definitely miss material that will appear on the exams. Class is also the time to have any questions answered that you may have. Material not presented in class but which appears in assigned readings will also be included on the exams. So the exams will cover material from lectures, assigned articles and your textbook. While the lectures include some material from the text, it will also contain different material. If you see contradictions between the lecture and the material in the text, please do not hesitate to ask about this in class. There will be pop quizzes and writing assignments for this class which if you do not come to class, you will likely miss if you don’t come to class. These quizzes and assignments count toward your final grade. For all these reasons, it will not be advantageous to you, if you miss any classes.

University Policies

General Expectations, Rights and Responsibilities of the Student

As members of the academic community, students accept both the rights and responsibilities incumbent upon all members of the institution. Students are encouraged to familiarize themselves with SJSU’s policies and practices pertaining to the procedures to follow if and when questions or concerns about a class arises. See University Policy S90–5 at http://www.sjsu.edu/senate/docs/S90-5.pdf. More detailed information on a variety of related topics is available in the SJSU catalog at http://info.sjsu.edu/web-dbgen/narr/catalog/rec-12234.12506.html. In general, it is recommended that students begin by seeking clarification or discussing concerns with their instructor. If such conversation is not possible, or if it does not serve to address the issue, it is recommended that the student contact the Department Chair as a next step.

Dropping and Adding

Students are responsible for understanding the policies and procedures about add/drop, grade forgiveness, etc. Refer to the current semester’s Catalog Policies section at http://info.sjsu.edu/static/catalog/policies.html. Add/drop deadlines can be found on the current academic year calendars document on the Academic Calendars webpage at http://www.sjsu.edu/provost/services/academic_calendars/. The Late Drop Policy is available at http://www.sjsu.edu/aars/policies/latedrops/policy/. Students should be aware of the current deadlines and penalties for dropping classes.

Information about the latest changes and news is available at the Advising Hub at http://www.sjsu.edu/advising/.
Consent for Recording of Class and Public Sharing of Instructor Material

University Policy S12-7, http://www.sjsu.edu/senate/docs/S12-7.pdf, requires students to obtain instructor’s permission to record the course and the following items to be included in the syllabus:

- “Common courtesy and professional behavior dictate that you notify someone when you are recording him/her. You must obtain the instructor’s permission to make audio or video recordings in this class. Such permission allows the recordings to be used for your private, study purposes only. The recordings are the intellectual property of the instructor; you have not been given any rights to reproduce or distribute the material.”
  - It is suggested that the greensheet include the instructor’s process for granting permission, whether in writing or orally and whether for the whole semester or on a class by class basis.
  - In classes where active participation of students or guests may be on the recording, permission of those students or guests should be obtained as well.
- “Course material developed by the instructor is the intellectual property of the instructor and cannot be shared publicly without his/her approval. You may not publicly share or upload instructor generated material for this course such as exam questions, lecture notes, or homework solutions without instructor consent.”

It is the responsibility of the student to inform the instructor, in writing, about such holidays before the add deadline at the start of each semester. If such holidays occur before the add deadline, the student must notify the instructor, in writing, at least three days before the date that he/she will be absent. It is the responsibility of the instructor to make every reasonable effort to honor the student request without penalty, and of the student to make up the work missed. See University Policy S14-7 at http://www.sjsu.edu/senate/docs/S14-7.pdf.
