www.sjsu.edu/reading

This event is wheelchair accessible. For additional assistance, please contact Graduate & Undergraduate Programs Office at 408-924-2447 or email: grad-undergrad-programs@sjsu.edu

Discussions and presentations on living with a disability (physical, mental, emotional or a combination), as well as innovations, strategies and resources to facilitate activities of daily life (ADL). This event is offered in conjunction with the Campus Reading Program, which has the mission to cultivate a culture of reading and build bridges of understanding.

Co-hosted by Dr. Karin Jeffrey, Kinesiology, and Professor Elena Klaw, Center for Community Learning and Leadership.
