Do you have questions about FERPA (Family Educational Rights and Privacy Act) and Best Business Practices on Information Security?

How does FERPA and data security compliance affect you in your university responsibilities?

On Thursday, October 5, the Offices of The Registrar and Information Security will be presenting on both of these compliance requirements.

Topics to be covered:

- What is an education record? What is not?
- Parents’ access to records/FERPA release form
- Frequent FERPA violations (FFV) and preventative measures to take
- Exceptions to FERPA
- Stop—Think—Connect: Tips and tricks for keeping your information safe at work and at home
- And much, much more!

This event is open and recommended for all University staff, student employees and faculty who work with student education records.

Open seating no RSVP needed.

This event is wheelchair accessible. Individuals requiring other accommodations should contact the Office of the Registrar at 408-924-2076 or registrar@sjsu.edu as soon as possible.
