

Once your graduation application is received by the Office of the Registrar, your information is entered into our system. Your application is reviewed in order of date received by the Office of the Registrar.

A graduation worksheet will be generated and sent to your preferred email in approximately 2-3 months

You can check your status on your academic requirements report on MySJSU.

- ✓ Applied – We have received your application and we are processing your worksheet
- ✓ Pending – Your graduation worksheet has been completed and emailed to you
