

Dear Student:

NOTE: Provide as much information as possible on the questionnaire or reclassification form. Attach copies of any documentation you have that may support your intent (see below).

Important: Please write your SJSU identification number on the top of the form.

For classification, as a resident of California at SJSU for tuition purposes, we look at several items. Just being physically present in CA for one year is not enough on its own. Residency is a combination of three factors: physical presence, intent to remain in California indefinitely, and a valid immigration status. All three of these factors, must be achieved one full-uninterrupted year prior to the Residence Determination Date (RDD), for the term in which you are seeking residence status for tuition purposes. Items that demonstrate intent are addressed below.

The Residence Determination Dates are as follows:

- Fall - September 20
- Spring – January 25
- Summer – June 1

As an example, let us say you are looking to classify for fall 2008. Your physical presence, intent documents, and immigration status would need to be dated on or before September 20, 2007. These Residence Determination Dates are set and do not change. It is important to keep in mind that when we look at the physical presence and immigration factors - they must be CONTINUOUS in the state of California.

Below is a list of intent documents that we may request (Note: all must be dated at least one year in advance of the term in which you are seeking residency classification). **A valid citizenship or visa status (not all visa status' are valid for claiming residency) for one full-uninterrupted year prior to the term in which you are seeking residency is required.** Evidence demonstrating intent may vary from case to case. However, the absence of residential ties to any other state or country is crucial.

Documents that we use to prove your intent (provide copies of as many as possible):

- Voter Registration
- Proof of voting in an election in the state of California
- Valid CA driver's license (may also include expired to show residency)
- Valid CA registered motor vehicle
- CA state income tax return
- CA property title or
- CA property lease agreement
- Active bank account showing date opened – must be statements sent to you via mail
- Permanent military address or home of record on military records
