VERIFICATION OF TRANSLATION ACCURACY FORM

Please either attach this form to your IRB application if the protocol includes translated documents or include this form when revisions of translated documents are submitted to the IRB. Investigator(s) may translate documents, but may not verify the accuracy of the translation. The IRB does not require that a certified translator perform the document translation. The verification may, for example, be provided by a member of the Department of World Languages and Literatures or an individual who has a bachelor's degree in that language. The form must be completely filled out and **signed** by the individual providing the verification. Duplicate fields are included if documents are submitted in multiple languages that require verification from different individuals.
