San José State University Research Foundation

Declaration of Institutional Support (Inventions)

1. Name of Inventor(s): __________________________________________________________

2. Title of Invention: _____________________________________________________________

3. Inventor(s) Declaration: An invention is considered to have partial institutional support if the institution incurs resource costs associated with the invention. Institutional support includes those costs which would not have been incurred by the institution in the absence of the development of the invention or discovery, as well as those other costs associated with the significant use of San Jose State University / SJSU Research Foundation equipment, supplies, facilities, employee time, or other institutional resources. I (we) declare that the following institutional resources were used in association with the development of my (our) invention: (If none, so indicate: if not applicable, write N/A.)
