

13th Annual College of Science Student Research Day

Undergraduate and graduate students working with College of Science faculty on original research projects will present their work in an all-College poster session. The student researchers and faculty will be available to answer questions. Come and see the wide range of student research from the College of Science!

Duncan Hall

Ground Level

10:00 am - 1:00 pm

Friday, May 5, 2017
