

Internet Resources for Teachers

The following list of internet resources was compiled to assist teachers and future teachers in locating materials that may be helpful in daily teaching and professional development.

If you discover a site that you think is particularly helpful and is not listed, please send the URL to us at Seced@email.sjsu.edu and we will add the information to our list. Also, if you want to make comments about a site, please send them to us as well. We will use your comments to develop an annotated bibliography of the resources.
