Amendment A to University Policy F15-13
Updating the Board of General Studies Membership, Charge, and Responsibilities

Legislative History: F15-13 (Updating the Board of General Studies Membership, Charge, and Responsibilities) rescinded S96-9 and S02-7 and is our current policy articulating the membership, charge, and responsibilities for the Board of General Studies (BOGS).

Whereas: Location of the committee reviewing proposals for GE (General Education) courses within the infrastructure of university committees has been reviewed by the Organization and Government Committee; and

Whereas: The membership and responsibilities of such a committee indicates it is best situated as an operating committee reporting to the Curriculum and Research Committee; and

Whereas: This change is consistent with EO 1100 (revised 8/23/17); therefore be it

Resolved: That F15-13 be amended as provided in this recommendation; and be it further

Resolved: That the name for the group responsible for matters related to GE be the General Education Advisory Committee; and be it further

Resolved: To ensure the broadest possible input on changes to the GE guidelines, the group charged with review of the GE guidelines will confer broadly across campus with groups including faculty (lecturers and Tenured/Tenure Track) teaching American Institutions (AI) courses and a broad range of GE courses, the Program Planning Committee, Undergraduate Studies Committee, associate deans, and the General Education Advisory Committee; and be it further

Resolved: That for AY 2019-2020, proposed updates to the current General Education Guidelines take into consideration SJSU’s GE Assessment Task Force recommendations and reflect the changes documented here; and be it further
Resolved: That the Senate initiate a process for subsequent reviews of SJSU’s GE Guidelines at least every five years. Subsequent reviews will be conducted initially by a task force chaired by the Senate’s Vice Chair and include representatives from the Program Planning Committee, Undergraduate Studies Committee, the General Education Advisory Committee, and faculty (including lecturers) teaching AI and GE. The recommendations from this task force will be forwarded to the C&R committee for final review.

Rationale: The Board of General Studies (BOGS) is presently constituted as a committee under the category “other” with no direct reporting responsibilities to the Curriculum and Research Policy Committee. Neither its membership nor its responsibilities call for the board to reside outside the infrastructure of university committees. With one representative from each of the academic colleges, a student, and appropriate ex-officio members it is comparable to other operating committees reporting to the Curriculum and Research Policy Committee.

With respect to future reviews of SJSU’s GE guidelines, a task force with broadly representative membership will be an important component of campus-wide consideration of future changes to the GE program.

Approved: 11/4/19

Financial Impact: None
Workload Impact: Additional coordination between the Associate Vice Chair of the Senate and the GEAC chair; Decrease in workload for college offices that would otherwise conduct elections.

Board of General Studies General Education Advisory Committee
Membership, Charge, and Responsibilities

1. Board of General Studies General Education Advisory Committee

The General Education Advisory Committee (GEAC) shall be an operating committee reporting to the Curriculum and Research Policy Committee. Executive order 1100 (revised 8/23/17) (which superseded EO 1065) provides guidance on a range of issues including implementation and governance pertaining to CSU General Education Breadth Requirements. Specifically, section 6.2.2 3 notes that “The effectiveness of a campus GE program is dependent upon the adequacy of curricular supervision, internal integrity and overall fiscal and academic support. Toward this end, each campus shall have a broadly representative GE committee, a majority of which shall be instructional faculty and shall also include student membership. The committee will provide oversight and make recommendations concerning the implementation, conduct, and evaluation of requirements specified in this executive order. As a companion to the GE committee, a campus may choose to establish a GE program assessment committee to conduct the work described in 6.2.5 of this executive order.”

1.1 Charge

The GEAC receives and solicits courses and reviews curricular proposals designed to satisfy General Education (GE), American Institutions (AI) graduation requirement, and Graduation Writing Assessment Requirements (GWAR) from all colleges and departments of the University; provides support to departments seeking to develop GE, AI, or GWAR courses; reviews, recommends approvals, and authorizes new courses and curricular proposals for purposes of GE, AI, and GWAR; reviews the GE portion of materials submitted in the program planning process; and, evaluates the courses and curricula proposed it has approved according to procedures described in the current 2014 GE Guidelines. The Board GEAC evaluates modifications requested by degree programs in accordance with the current 2014 Guidelines.

1.2 Membership. Faculty appointments should be made on the basis of interest, competence, and experience teaching General Education curricula. The at-large faculty seats should be used to provide the committee with expertise in areas of general education not covered by college faculty representatives. Tenured, tenure-track, and lecturer faculty are all eligible to serve.

1.2.1 Election and Appointment of Members

1.2.1.1 The faculty members of the Board shall be elected by the faculty electorate in each college in an election administered by the Dean’s office. Each department in a college shall be informed of a pending election and shall nominate one tenured faculty member. Each non-ex officio faculty member will initially serve a 3-year term renewable for one additional 3-year term. Faculty can return to serve in future years (after a break in service) when a seat becomes available. Student members serve a one-year term and can be re-appointed. Recruitment of applicants to serve on the GEAC will be done through the normal Committee on Committees process for the seats designated for a faculty member and student. Each person interested in serving on the committee shall prepare a brief statement summarizing her/his experience (including GE area of teaching) and interest in General Education.

When there are multiple applications for a seat, the Executive Committee of the Academic Senate will recommend individuals to serve. Selection of faculty shall be based on interest, competence, and experience teaching in the General Education curricula; selection shall also consider the need to have GE areas represented. Student appointments should be made on the basis of interest, experience in the General Education curricula, and a scholastic record of academic excellence.

When a seat will be vacant for no more than 1 semester (e.g., sabbatical or leave of absence) an interim appointment can be made following normal Committee on Committee processes. Any seat that will be vacant for a year or more will require a replacement for the remainder of the term associated with that seat.

1.2.1.2 Prior to the departmental nomination, each person seeking nomination shall prepare and circulate to the department faculty a brief (not more than 100 words) statement summarizing her/his experience and objectives in General Education.

1.2.1.3 The college curriculum committee shall select not more than three of those nominated to place before the college electorate. The college curriculum committee may choose to meet and consult with the Provost (or designee) prior to making the selection.
1.2.1.4 Selection by each college curriculum committee shall be based on interest, competence, and experience in the General Education curricula; the statements prepared by departmental nominees shall be considered.

1.2.1.5 Faculty shall serve three-year staggered terms. When a full-term vacancy is to be filled, or a vacancy for an unexpired term of more than one year, applications shall be solicited from the college, and an election held as provided above.

1.2.1.6 Vacancies of one year or less shall be filled for the balance of the unexpired term. The college curriculum committee in consultation with the Dean shall select a member to fill the vacancy. Consideration shall be given to, among others, those who applied for the last vacancy for which college-wide solicitation was required.

1.2.1.7 A faculty member of the Board may be granted a leave for one semester. A one-semester interim appointment may then be made as provided in 1.2.1.6.

1.2.1.8 If a college is unable to elect a faculty member to the Board, then the position will be filled for one year by the college curriculum committee in consultation with the Dean.

1.2.1.9 Student appointments should be made on the basis of interest, experience in the General Education curricula, and a scholastic record of academic excellence. Student members of the Board shall be appointed by the Provost in consultation with the elected members of the Executive Committee and the Associated Students President.

1.2.1.10 Student appointees shall serve one-year terms and may seek independent study credit by working with the Chair of BOGS.

1.2.2 The Chair shall be a faculty member with at least one year of service on the Board. College faculty representatives through a vote will select the chair from among those with continuing appointments before the end of the spring semester for the subsequent year. The chair shall be a faculty member from the committee, with at least one year of service on the Board, selected each spring by faculty members with continuing appointments for the subsequent year.

1.2.3 Ex officio members will be non-voting members, with the exception that in the case of ties, the AVP or his/her designee to the committee may vote.

1.2.4 If a member is absent from three regularly scheduled committee meetings in an academic year the chair of the GEAC BOGS may request that the Associate Vice Chair of the Senate initiate action leading to the election appointment of a new member for the remainder of that seat’s term. If a member repeatedly does not perform assigned committee duties, the chair of the GEAC BOGS may request that the Associate Vice
Chair of the Senate initiate action leading to the appointment election of a new member for the remainder of that seat’s term.

2.7 As part of its program planning process, the GEAC shall solicit input from campus stakeholders and take into consideration the feedback from previous institutional accreditation reviews, the GEAC’s previous program plan and related reports. Any
proposed modifications shall be forwarded to C&R for final review, and consideration by
the Senate, before implementation.

2.8 The GEAC will participate in the periodic review of current GE guidelines.

to participate in discussions concerning new curricular proposals when the GEAC board
determines additional expertise is needed.

3.5 The GEAC Board may appoint ad hoc General Education Review Panels
(GRP) Advisory Panels (GEAPs). Each GRP shall be focused on a specific curricular
requirement or set of requirements that is under the purview of the GEAC Board. The
creation of GRPs shall be at the discretion of the committee Board, except for the
American Institutions GRP which is required. A GRP may be an ad-hoc group
constituted for the short duration needed to review and subsequently advise the GEAC
Board on specific proposals pertaining to certification or continuing certification.

of all curricular proposals that seek to meet AI requirements. The GEAC
Board will strongly consider the panel's advice. In the event that the GEAC
Board rules differently than the AI panel, the GEAC Board will provide the
rationale for its ruling and members of the review panel may appeal the
ruling to the Curriculum and Research Committee for a final decision.

review and, if approved, will subsequently be made available to all course coordinators
and department chairs.

3.7 1.4.7 The GEAC Board may make additional rules for the conduct of its
proceedings, but they must be consistent with university policy.
