SS-S84-2

At its meeting of March 5, 1984, the Academic Senate passed the following Sense of the Senate Resolution presented by Robert Wilson for the Financial and Student Affairs Committee.

It is the sense of the Senate that:

1. Each academic department/program allocation of secretarial/ clerical/ technical positions per FTE/F/A/C, compared to the allocation to intercollegiate athletics, is less than sufficient to meet the minimum department/ program responsibilities.
2. The Senate affirms, as it did in SS-S83-9, that the President pursue with vigor the objective of making Intercollegiate Athletics a more self-sustaining enterprise and reducing its dependency on support from instructional funds.
