Highly Commending Senator Kenneth Peter

Whereas, Senator Kenneth Peter is retiring (temporarily, we hope) from the Academic Senate;

Whereas, Senator Peter's seven years of distinguished service in the Senate have been marked by a massive output of reports and policies too numerous to mention; and

Whereas, His Leadership has been demonstrated by his extended term as Senate Chair, the first extension ever granted; and

Whereas, Senator Peter has set an example of constructive cooperation with President Caret and his administration, never failing to support effectively substantive faculty concerns, but never disregarding valid fiscal and administrative problems; now therefore, be it
