

Bethany Shifflett  
Candidate for the Faculty-at-Large Position  
SJSU Academic Senate

I am seeking your vote for the Faculty-at-Large seat on the Executive Committee of the Senate. Since I began my career here at SJSU in 1987 I have been actively engaged in service at the department, college, university, and system levels. I served on the senate for 13 years and in that time was senate chair, a statewide senator, and chair of the committee of committees. Following my time on the senate I served as the faculty lead during WASC's last re-accreditation of SJSU for all but one semester of the four years of the review period.

As a firm advocate of shared governance I take responsibilities seriously and can be relied upon to listen respectfully to all views, search for creative solutions to challenges, actively promote efforts to support students, faculty, and staff, seek information and input to guide the development and implementation of sound university policies, and build bridges to strengthen the senate's effectiveness. I look forward to service on the senate and if elected, service on the Executive Committee.
