   classes where students might be interested to see if they have recommendations.

3. The Executive Committee discussed the possibility of co-sponsoring a Roundtable 
   on The Higher Education Reauthorization Act. Chair Nellen will gather additional 
   information and report back.

4. The Executive Committee discussed whether there should be a presentation to the 
   Senate on NSSE data. It was decided to wait until Fall 2004 for a presentation.

   Tenure Review.

6. The Executive Committee discussed several suggestions that came out of the 
   Student Success Conference. One suggestion was to require students to declare a 
   major by a certain time.

   students and employees. It was suggested that this should be brought before the AS 
   Board of Directors. Chair Nellen will also follow up with Gabe Reyes to see how the 
   presidential interns gather suggestions and with Irene Miura to see what the response 
   rate has been to gathering ideas for “efficiencies.” It was also suggested that monetary 
   incentives be used for ideas the university adopts.

8. The Executive Committee discussed computer privacy and use at SJSU, and 
   whether there was a need for a resolution on this issue. The committee decided there
