Overview: This on-line planning tool allows you to create and compare multiple class schedules for a given term based on your course preferences as well as other commitments such as your work, sport and/or family schedules.

MyScheduler will generate every possible schedule for you so you can maximize your course selections and remain on track for a timely graduation. After you review your proposed schedules, you will select your preferred schedule and then import your schedule into your shopping cart. You can hold your class schedule in your shopping cart and add your classes when your enrollment appointment begins.

Notes: To use MyScheduler, pop-ups must be enabled in your web browser. Also, MyScheduler does not recognize prerequisite or co-requisite courses, enrollment holds or instructor consent requirements.

MyScheduler can be accessed from tablets and mobile devices.
