Course materials such as syllabus, handouts, lecture outlines, assignment instructions, etc. can be found on my faculty web page at http://www.markpasion.com. You are responsible for regularly checking this site to learn of any updates. Your course exams will be taken in class, and your exam & assignment grades will be posted to (markpasion.com). You will have timely access to your grades throughout the semester. Official final grades will be posted by Admissions & Records to your MySJSU account.

Office Hours: My designated office hours are for you to come and talk with me about this course. This is your opportunity to come and talk to me outside of class.

Classroom Guidelines: This is primarily a lecture-based class. Classes consist mainly of lectures and discussions. These may be supplemented by some videos, homework, and small group work. Taking class notes during lecture is encouraged. Lectures are designed to clarify and expand upon the required readings. Student participation is highly encouraged, and all perspectives are welcomed.

Class Attendance & Participation: Attendance to class sessions is an important part of the learning process. Sharing ideas with other class members, class discussions, and instructor lectures are fundamental to classroom education. Participation is an essential feature for learning. Participation may include active listening, note taking, small group discussions, classroom discussion and in-class exercises, homework and writing assignments. Small-group and open class discussion are useful venues to explore a variety of social issues and topics. Attend and participate in these activities. These assignments are designed to encourage regular class attendance, and to give students incentive to stay current with the class readings and their sociology studies. Excessive tardiness to class and/or leaving early before class has ended is rude behavior, to the instructor, and to other members of the class. Participation in class discussion is encouraged, but talking when others are speaking is also disruptive behavior. Please be courteous, rather than engage in the manner described.

Required Texts/Readings

Henslin, “Essentials of Sociology- A Down to Earth Approach, 11th Ed.

Students must use the 11th edition, because that is the edition that exams are derived from. Options include new or used textbooks; loose-leaf editions, renting a textbook, or using an E-book.

Students interested in an E-book, should purchase directly from the publisher at (www.mypearsonstore.com)

Reading should be done prior to coming to class. (Usually 1-2 chapters per week) Students will be better prepared to discuss the material, and better prepared for asking questions about material that needs more explanation. See reading schedule on Class Calendar page. Students are expected to use the proper edition of the assigned textbook. Older editions may not contain all the information that is listed on your exam study guides, and I will not be providing missing information to students that use the wrong textbook.

All students are required to do a writing assignment of 1500 words, as part of the G.E. class requirement. Students will be writing a series of short papers concerning social issues. A writing handout will be available that explains the assignment in full detail. Please see faculty website (www.markpasion.com) for the writing handout. This is a GE requirement, and all students must comply.

Students will answer specific questions as it pertains to the topic. The response must be meaningful. Grading is based upon the critical analysis of the topic as it relates to the questions answered. Deadline dates, and a more detailed description of the writing assignment is explained in the writing handout. For some excellent handouts on specific writing issues see: [http://www.sjsu.edu/writingresources/handouts/index.htm](http://www.sjsu.edu/writingresources/handouts/index.htm)

Exams: (300 points total)

- Midterm Exam #1 – March 7
- Midterm Exam #2 – April 11
- Final Midterm #3 – May 18

There are three (3) major midterm exams given in this class. Each exam is worth 100 points and will consist of 52 questions (50 plus 2 extra credit questions). All exams are multiple choice. The exams are closed-book, and closed notebook. However, students will be allowed to compile notes on 1 sheet of paper, double-sided (8.5 x 11), to be used during the examinations. Cell phones and all electronic devices must be off the student’s desk, along with textbooks and other course material.

Late exams: (10%) late penalty - Students that miss the scheduled exam should contact me within 24 hours. Students should be prepared to make-up the exam, immediately upon return to class, and within 1 week of the original exam date. If students have extended illness, they should contact me and communicate the problems with returning to class. No late or make-up exams will be offered for Final Midterm #3.

Grading System:

In the college classroom, grading is an institutional requirement. There is no perfect grading system, however, it is a necessity for this college and this classroom. The instructor’s goal in grading is to assess the student’s understanding of core subject matter as measured by a written exam. Grading is objective, based on exam scores and the quality of work produced in any graded class assignments. Grading is not subjective based upon how hard a student tries, or how much time is spent in studying. Unfortunately for some students, the reality is that grades in this class are based upon results and not necessarily a reflection of effort. **There is no extra credit available in this class.**

Graded material: Final class grades in this class are based entirely upon exam scores, and the writing assignments.

Grade scale: 330 total points (4.0 grade scale)

- 297-330 pts = A
- 264-296 pts = B
- 224-263 pts = C
- 191-223 pts = D
- 190 pts or below = Fail

**Minus grades will not be given (i.e., “A-”, “B-”).** Also (A+) grades are not typically given. Other plus grades may be considered based upon student performance.

Assignments and Grading Policy

Academic Policy S12-3 at http://www.sjsu.edu/senate/S12-3.htm has defined expected student workload as follows:

“Success in this course is based on the expectation that students will spend, for each unit of credit, a minimum of forty-five hours over the length of the course (normally 3 hours per unit per week with 1 of the hours used for lecture) for instruction or preparation/ studying or course related activities including but not limited to internships, labs, clinical practica. Other course structures will have equivalent workload expectations as described in the syllabus.”
University Policies:

General Expectations, Rights and Responsibilities of the Student

As members of the academic community, students accept both the rights and responsibilities incumbent upon all members of the institution. Students are encouraged to familiarize themselves with SJSU’s policies and practices pertaining to the procedures to follow if and when questions or concerns about a class arises. See University Policy S90-5 at http://www.sjsu.edu/senate/docs/S90-5.pdf. More detailed information on a variety of related topics is available in the SJSU catalog, at http://info.sjsu.edu/web-dbgen/narr/catalog/rec-12234.12506.html. In general, it is recommended that students begin by seeking clarification or discussing concerns with their instructor. If such conversation is not possible, or if it does not serve to address the issue, it is recommended that the student contact the Department Chair as a next step.

Dropping and Adding

Students are responsible for understanding the policies and procedures about add/drop, grade forgiveness, etc. Refer to the current semester’s Catalog Policies at http://info.sjsu.edu/static/catalog/policies.html. Add/drop deadlines can be found on the current academic year calendars document on the Academic Calendars webpage at http://www.sjsu.edu/provost/services/academic_calendars/. The Late Drop Policy is available at http://www.sjsu.edu/aars/policies/latedrops/policy/. Students should be aware of the current deadlines and penalties for dropping classes. Information about the latest changes and news is available at the Advising Hub at http://www.sjsu.edu/advising/.

Consent for Recording of Class and Public Sharing of Instructor Material

University Policy S12-7, http://www.sjsu.edu/senate/docs/S12-7.pdf, requires students to obtain instructor’s permission to record the course and course material.

- “Common courtesy and professional behavior dictate that you notify someone when you are recording him/her. You must obtain the instructor’s permission to make audio or video recordings in this class. Such permission allows the recordings to be used for your private, study purposes only. The recordings are the intellectual property of the instructor; you have not been given any rights to reproduce or distribute the material”
- “Course material developed by the instructor is the intellectual property of the instructor and cannot be shared publicly without his/her approval. You may not publicly share or upload instructor generated material for this course such as exam questions, lecture notes, or homework solutions without instructor consent.”

Please see me in person to obtain verbal or written consent for any of the above.

Instances of academic dishonesty will not be tolerated. Cheating on exams or plagiarism (presenting the work of another as your own, or the use of another person’s ideas without giving proper credit) will result in a failing grade and sanctions by the University. For this class, all assignments are to be completed by the individual student unless otherwise specified. If you would like to include your assignment or any other material you have submitted, or plan to submit to another class, please note that SJSU’s Academic Integrity Policy S07-2 requires approval of instructors.
