Absent: Roth, Jonathan (History); Rooks, Curtiss (Social Science);

1. Minutes of the October 13, 2004 meeting were approved by all who had attended.
2. Emergency Management Concentration in MPA Program: The addition of a letter of support from the City of San Jose was suggested. Approved unanimously.
3. COMM 265. Seminar in Crisis Communication: Approved unanimously.
4. ECON 296A. Applied Research Colloquium: Approved unanimously.
5. ECON 196J. Health Economics: Policy and Administration: Recommend re-submission after addressing the requirement that all upper division courses have prerequisites, staffing concerns, and the proposal's lack of the required short bibliography.
6. Peter Chua volunteered to start compiling a list of items that the committee considers in evaluating course proposals for approval. Committee members agreed that this would be valuable.
7. Discussed updates on "Degree Roadmaps" and Assessment in the Major.
