School of Social Work, BASW Field Education Program
San José State University

Instructions: Please complete this form by May 1, 2008. This evaluation goes directly to the School of Social Work, BASW Field Education Program Coordinator. This form is reviewed by the Field Education Program and by the Director of the School of Social Work. This anonymous evaluation is intended to provide your Faculty Field Liaison (FFL) with constructive feedback concerning her or his performance during the last academic year. Your FFL will have access to this evaluation form after final semester grades are submitted to the university. Please read each statement and question carefully and then indicate your response as requested. Please do not return this form directly to your FFL. The Coordinator of the BASW Field Education Program will be at the last seminar (May 1, 2008) and will collect your evaluation at that time. Please have your completed evaluation available then.
