### Course Requirements and Assignments

SJSU classes are designed such that in order to be successful, it is expected that students will spend a minimum of forty-five hours for each unit of credit (normally three hours per unit per week), including preparing for class, participating in course activities, completing assignments, and so on. More details about student workload can be found in University Policy S12-3 at [http://www.sjsu.edu/senate/docs/S12-3.pdf](http://www.sjsu.edu/senate/docs/S12-3.pdf).
Bring your textbook, syllabus, and handouts as well as any additional reading materials posted on canvas to class each week or have them accessible on laptop if you bring your laptop. If you are absent, make arrangements to get handouts and notes from a peer. You will not be able to make up any in-class activities that you miss. All assignments must be typed, double-spaced unless otherwise specified, and turned in on time, and be free of spelling or grammatical errors. Lateness for any reason will result in the loss of 10% reduction each day they are late. Please refer to Assignment standards for other specific requirements.

1. **Use of Canvas**
   You are required to use Canvas for this class. For Log in information and other guidelines, please refer to Canvass Access on pages 1-2 of this syllabus.

   *Post one paragraph of your self-introduction (with an optional photo) on Canvas Discussions and respond to one peer by 9/5, 4:00 p.m. (10 pts.; 3% of grade).

   *Download and bring hard copies of class handouts that will be posted on Canvas. PPT and other course-related handouts will be available by Monday prior to the class from the link, in Modules, located on Canvas, EDSE 279 home page.

2. **On Campus Class Participation** (80 points, 27% of grade) (PS12, M/M 4, M/S 6, ECSE 7, & DHH 9) (MS/SS Program: Standard 5, Category B, Standard 9, & Standard 10)

   Active Participation is important to the structure of this class. Regular and active participation in class discussions and group/individual activities is required. In addition, you will be asked to bring homework assignments occasionally (e.g., case studies, etc.). You are responsible for all readings and materials presented in the course, even when absent and excused by the professor. The number of in-class activities and points per class will vary. There will be no make up for this requirement.

2. **Cell phone and computer use**
   
   Cell phone and computer use not directly related to the topic at hand is disrespectful of other peers and the instructor, and it is not a behavior that you would condone in your class and I don’t in mine. Please observe the following rules, and remind each other about the rules whenever your peers inadvertently fail to follow the rules:
i) Cell Phones must be silenced for the entire duration of the class.
ii) PLEASE RESTRICT YOUR USE OF COMPUTERS TO MAKING NOTES ON THE COURSE only. Reading of email and other computer based activities are not allowed during class.

You must obtain the instructor’s permission to make audio or video recordings in this class. Such permission allows the recordings to be used for your private, study purposes only. The recordings are the intellectual property of the instructor; you have not been given any rights to reproduce or distribute the material.”
  - It is suggested that the greensheet include the instructor’s process for granting permission, whether in writing or orally and whether for the whole semester or on a class by class basis.
  - In classes where active participation of students or guests may be on the recording, permission of those students or guests should be obtained as well.
- “Course material developed by the instructor is the intellectual property of the instructor and cannot be shared publicly without his/her approval. You may not publicly share or upload instructor generated material for this course such as exam questions, lecture notes, or homework solutions without instructor consent.”
