Clear Education Specialist Program

Professional Development Activities and/or Classes
Lessons Learned

The Clear Education Specialist Program requires 180 hours of professional development. Submit one form with evidence attached for each activity or class. EDSE 217D is 90 hours total. Submit evidence of professional development activities or a class (45 hours for each SJSU course) listed on the IIP.

Name: _________________________________ Date: ________________________________

Preliminary Education Specialist Credential: ____________________________________________________
  Indicate area of Credential

EDSE 217D completed: _____________________________ Support Provider: ________________
  Indicate semester and year

Professional Development and/or class: _________________________________________________________
  Indicate Title of Training and/or class

Professional Development/class sponsor: ________________________________________________________
  Indicate where you took this professional training, or who sponsored this?

Date(s) of Activity/Class: _____________________________ Total Hours: ______________

Please submit the following attached to this form:

- Evidence of the professional development activity or class. This could be the unofficial transcript and syllabus for a class or the agenda, certificate, letter acknowledging attendance, and/or materials from the activity (for example) for other professional development trainings.

- A brief description about any “take-aways” from this activity/class. How will you utilize the lessons from the activity/class in your own practice?

- Induction Plan with reflection about goal accomplishments

- Original approval of this activity/class was given by: ___________________________________________
