DEPARTMENT OF SPECIAL EDUCATION MISSION STATEMENT
The Department of Special Education prepares professionals to be effective educators, leaders in the field, and lifelong learners. We accomplish this goal in collaboration with other departments and community partners. Together we promote equity and excellence in our curricula and instruction by infusing evidence based best practices endorsed nationally.

Knowledge Base
This course is designed to address the California Commission on Teacher Credentialing requirement that new teachers or Interns be provided university support while in the teacher preparation program. Each Intern holds an “on-the-job-training” teacher position that requires coursework in the area in which they are teaching and support from a University Supervisor and from a district/school appointed Support Provider.
