Related Questions

Please answer the following questions and attach your responses to this application:

1. Why are you interested in the Faculty-In-Residence position at San José State University?

2. What are your activities, hobbies or interests? How can you use them to connect with the residential community?

3. What are your main research interests?

4. The position of the Faculty-In-Residence aims to:
 - a. support students' academic success
 - b. foster student development and growth
 - c. contribute to the development of community among residential students
 - d. develop a sense of collaboration between academics and student life

How do your past experiences relate to those areas? Provide examples, if available.

How would you support those areas from your position as a Faculty-In-Residence?

5. Please describe an activity or event that you might offer within the residential community.

Please provide contact information for three references (one academic, one student, and one additional):
