This 2013 African American Student Summit is designed to teach middle and high school students in the Bay Area that a better future begins with college. Students will experience college life for a day at San José State University. They will:

- Meet with current African American college student leaders
- Be inspired by peer mentors and faculty members
- Tour the campus to learn about the resources available to help students succeed in college
- Hear stories of triumph in attending and paying for college
- Learn about choosing a major in college and a career after college

*It is important to encourage our young people to further their education after high school!*
