

Nora Beltran
Territory Manager (Acting)
LB&I – Communications, Technology & Media
Internal Revenue Service

Nora Beltran, CPA, is currently an acting Territory Manager in CTM located in San Jose. She started her career with the Internal Revenue Service in 1989 as a Taxpayer Service Representative and became a general program (SBSE) revenue agent two years later. Nora spent four years in Planning and Special Programs before joining LB&I in 2001 as a team coordinator. She was selected in the Advanced Management Selection and Development Program in 2008. Nora was an international team manager, then a domestic team manager before becoming a global team manager in 2012. She is a member of the Lean Six Sigma team looking into the viability of the CIC designation and processes.

Nora has a Bachelor of Science Degree in Business Administration with emphasis in accounting from San Francisco State University and is a licensed Certified Public Accountant in California.
