### Overview

Rob is a senior associate in the State Tax Group. Rob assists clients with income, sales, and gross receipts tax issues around the country. His practice includes state tax return position evaluation, audit defense, administrative appeals, and litigation.

Rob co-leads Reed Smith's growing Massachusetts state tax practice, which represents taxpayers on a wide-range of Massachusetts income and sales tax issues at audit, through all administrative appeal levels, and at the Appellate Tax Board. Rob is also a member of the Associated Industries of Massachusetts Tax Committee.

Rob is a frequent writer and speaker on a wide range of state tax issues, and has presented at COST, TEI and other industry conferences. Rob co-authors *Massachusetts SALT*, Reed Smith's Massachusetts state tax blog.
