   - For business meetings, please indicate who you are meeting with.

8. Daily Expense Charges:
   - Skip this section
9. Daily Mileage (click on + to add multiple daily mileage lines):
   - Date (of school site visit)
   - Miles
   - Rate (.545 \(\text{per mile}\) should automatically populate after miles are entered)
   - Amount (should automatically calculate after miles are entered)
   - Between what points was the car driven (and return if round trip)
   - This must be from your home or SJSU, whichever is the shortest distance to the school site, and back (for example: SJSU to Independence High School and return).
10. Total Calculations
    - These fields should automatically populate from expenses listed above (Be sure that Amount Approved matches Amount Due -- If they don’t match, simply enter the amount that’s in the “Amount Due” field into the Amount Approved and Amount Paid fields.)
11. Funding Source/Chartfields:
    When completing your online travel claim, enter Dept. ID# 1368 (Teacher Education Department) in the first line of the “Funding Source/Chartfield” section and put $1.00 for the amount to be reimbursed from our department. Click on the + to create a second line. Then in the second line enter Dept. ID# 1176 (College of Education) and enter the remaining balance (minus the $1.00) to be reimbursed by them (see Funding Source/Chartfield example below). This is done because it needs to be approved by the Teacher Ed Department even though the College of Ed is paying for it.
    - Click on + to add a second line
    - Line #1:
      - Account: 606001
      - Fund: 70000
      - DeptID: 1368 [Teacher Ed Dept.]
The Travel Reimbursement Request must be saved before you can have the ability to submit it.

Click Submit to send for approval/processing (if the “Status” field of your Travel Reimbursement Request says Open, then it has not yet been submitted by you).

See Travel Claim Process Instruction Guide for more information.

If you need additional assistance pertaining to Finance policies and processes, Finance Open Labs are held every other week, or you can contact Finance Connect for help by emailing financeconnect@sjsu.edu or calling 408-924-1558. Usually Ana Harris or Amy Chan will answer your questions.

You will also need to complete the Defensive Driver Training if you haven’t already done so or if it has expired (expires after 4 years). Once you have completed/updated the online Defensive Driver Training you will need to complete and sign the Authorization To Use Privately Owned Vehicles On State Business form and submit it with a print-out of your Defensive Driver Training Certificate to the Teacher Education Department (or feel free to email a scanned copy to me and Marie). The “Authorization To Use Privately Owned Vehicles On State Business” form needs to be signed annually. The form that you originally completed is kept in Marie’s office. Please contact Marie each year to keep this form current. The Procurement/Accounts Payable Office will check if the Defensive Driver Training was complete when they process the travel claims. No claim will be processed unless this training has been completed.
