

## **Intensive Science Petition (CORE Area B) – Instructions (page 1)**

Your petition will not be processed if you are not using the current form. Please check <http://www.sjsu.edu/ugs/students/petitions/list/> to be certain that you are using the most recent version of this petition.

This petition is only for undergraduate students who are matriculated (admitted and enrolled) at SJSU. **Students who have successfully completed in-depth coursework in science that is not certified for GE, may request an alternative package to satisfy those portions of Core Physical Science (B1), Life Science (B2), Laboratory Science (B3), and Math Concepts (B4) that have not already been met by approved GE courses.** Typically, these courses have been taken when previously majoring in a field that required more rigorous science courses than those in the GE program.

**Generally, a grade of “C” or better is required in all of the courses listed on the petition.** Typical SJSU courses that are petitioned and commonly approved include the following.

Areas B1 & B3 – CHEM 1A, CHEM 1B, PHYS 2A, PHYS 2B, PHYS 50, PHYS 51, PHYS 52, MATE 25  
Areas B2 & B3 – BIOL 1, BIOL 2, BIOL 3, BIOL 1A, BIOL 1B, BIOL 65, BIOL 66

(Note: This is not a restricted list of courses. Other courses may also be approvable.)
