RE: Whistleblower Notification Information for 2019

The California State Auditor’s Office is your confidential avenue for reporting improper activities by state agencies or employees. It is your responsibility, as a government employee, to report any type of fraud, waste, or abuse, which ultimately protects scarce state resources, and to be free from retaliation for doing so. To view investigative reports, please visit the California State Auditor’s website: http://www.auditor.ca.gov/reports/investigative.

Please review the 2019 Whistleblower program brochure explaining, in detail, the following:

- **What to Report**
- **How to Report** – report information confidentially by calling the Whistleblower Hotline (1-800-952-5665), by mail or submitting a complaint online to http://www.auditor.ca.gov/hotline
- **Helpful Tips When Filing a Complaint**
- **Investigation of Complaints**

This brochure, along with a copy of this memo, will be posted on the University Personnel website: Whistleblower Protection Act.

Please note that Whistleblowers are protected by the Whistleblower Protection Act, which protects whistleblowers who work for the government and report agency misconduct. If you believe that you have been retaliated against for disclosing an improper governmental activity, you should report this immediately to one of the following agencies:

**State and Court Employees**
State Personnel Board  
801 Capitol Mall, MS53  
Sacramento, CA 95814

**California State University Employees**
Vice Chancellor of Human Resources  
401 Golden Shore  
Long Beach, CA 90802
