

San José State University

www.sjsu.edu

The Dr. Martin Luther King Jr. Library
an innovative collaboration between SJSU and the City of San José, opened in August 2003 and is an invaluable, free community resource open to everyone. The building features a 1.5 million items as well as a designated public art.

Tower Hall is the oldest building on campus and is a campus and city landmark. The President's Office is located on the second floor of this historic building, a California State landmark.
Morris Bailey Auditorium is a premier theatrical performance space for social events and guest speakers. SJSU's logo is based on the decorative brickwork on the facade.
