*Disclaimer: This Budget PrePay, Inc. d/b/a Budget Mobile offering is a California LifeLine-supported service. Only eligible consumers may enroll in the program and proof of eligibility documentation is necessary for enrollment. The program is limited to one benefit per household, consisting of either wireline or wireless service. LifeLine service is non-transferable. LifeLine is a government benefit program, and consumers who willfully make false statements in order to obtain the benefit can be punished by fine or imprisonment or can be barred from the program. Coverage limitations such as weather, signal strength, and service outages may affect wireless mobile phone service, quality, or access to E-911 and/or 911 in the event of an emergency. By removing your wireless cell phone from a residence that does not have other phone services, residents may not have a way to make 911 calls during an emergency. Free phones may take up to 10 business days for delivery once order is received. Brand and style of phone will vary and are at the discretion of Budget Mobile LifeLine.
