Big Data Program Instructor

Dr. Chris Tseng, Professor

Dr. Chris Tseng is a professor of computer science at San José State University. He earned his Ph.D. from the University of Illinois at Urbana-Champaign in 1988 and has since alternated between teaching and industry work. His industry experience ranges from being a consultant, a manager, to a VP of start-up and public high-tech companies.

He has over 20 years of extensive published research and industrial project experience in the areas of Big Data, Data Analytics, Web Intelligence, Machine Intelligence, and other information technology in general. Before joining SJSU, he taught at Santa Clara University and Duke University. Dr. Tseng was a David Packard Fellow during 1988-1990.
