San José State University Evening Shuttle Ride Announced

The new program, which is an extension of the University Police Evening Guide program, will be available Monday through Friday 7:00PM to 1:00AM. SJSU students and employees can call 924-2000. The Evening Shuttle will be dispatched to pick you up.

You will need to show your Tower Card to the driver before you enter the van. This service is reserved for active SJSU students and employees only.

Spartan Shops:

**City of San José’s Single-Use Carryout Bag Ordinance. Effective January 1, 2012**

All grocery and retail stores in San José can no longer provide single-use carryout bags at checkout beginning January 1, 2012. Consumers will have the option to bring or purchase their own reusable bags or purchase recycled content paper bags at checkout. Under the ordinance, stores may sell paper bags made of at least 40 percent post-consumer recycled content for a minimum price of 10 cents for each bag.

In compliance with the new City of San José Bag Ordinance, Spartan Shops Dining units will no longer provide plastic bags.

We encourage all our customers to bring their own bag and be a little greener each day. A high-quality reusable bag has the potential to replace over 600 single-use plastic bags over its lifetime, significantly reducing plastic bag litter. Just Below and the Village Market both sell reusable bags. If you do not have a reusable bag, you can purchase a recycled paper bag for 10 cents.

Beginning in mid-February the Alert-SJSU system is changing from an "opt-in" system to an "opt-out" system for students. Any currently enrolled student who has not signed up for Alert-SJSU will have his or her preferred email address and preferred phone number automatically entered into the system.

Beginning in March people will be provided with a method to opt-out of the Alert-SJSU system if they choose not to receive notifications of emergency situations on campus. At any time students, faculty, and staff can enter contact information including e-mail and phone numbers with texting to be notified about situations that cause an alert to be issued.
