

San José State University
San José, California
ANNOUNCEMENT OF POSITION AVAILABILITY
Subject to Budgetary Approval
Part-Time Lecturer in Software Engineering for Special Sessions
Charles W. Davidson College of Engineering

Position: Lecturer

Rank: Part-time temporary

Salary: Commensurate with rank and experience. Salary information is available at <http://www.sjsu.edu/facultyaffairs/>

Brief Description of Duties: The Charles W. Davidson College of Engineering at San José State University is accepting applications to fill the discipline in software engineering. List of topics but not limited to:

- Cloud technologies and Services
- Virtualization Technologies
- Mobile Software System Design and Mobile Web Applications
- Smartphone and Internet of Things Application Development
- Software and Cloud Security Technologies

Course descriptions are published at <http://info.sjsu.edu/web-dbgen/catalog/departments/CMPE-courses.html>
The majority of the classes will be offered in the evenings at a convenient location of Silicon Valley.

Minimum Qualifications: M.S. degree in a closed related field of Software Engineering, demonstrated knowledge in Software Engineering, good communication skills, experience with hands-on problem solving of Software Engineering tasks, commitment to student learning and the ability to evaluate individual and team performance are require. Candidates should have awareness of and sensitivity to the educational goals of a multicultural population.

Preferred Qualifications: Ph.D. in a closely related field of Software Engineering, evidence of more than 5 years of good industry experience, and previous education experience of graduate courses are highly desirable.

Application Procedures: Interested candidates should submit a letter of application and curriculum vitae, via electronic document (PDF or MS Word version), to Ms. Leya Keo at leya.keo@sjsu.edu. The curriculum vitae must contain a description of the applicant's qualifications along with full contact information, including surface mail address, phone number, and email address. If requested, candidates should be prepared to provide evidence of their qualifications such as original transcripts, letters of recommendation, etc.

Hiring Criteria: Applicants will be evaluated based on an assessment of their knowledge of and experience with applying Software Engineering related subject matter and practices of the discipline to which the individual is assigned. Documented examples of accomplishments, which address real-world software engineering problems, will carry significant weight during deliberations. Applicants will also be evaluated based on an assessment of their potential to be effective instructors of our graduate program.

Deadline: Positions will be open until filled. Although the deadline for submitting applications is open, candidates are advised to submit their application materials by July 30, 2015 for consideration of a fall 2015 appointment or October 1, 2015 for a spring 2016 appointment.

San José State University is California's oldest institution of public higher learning. The campus is located on the southern end of San Francisco Bay in downtown San José (Pop. 945,942), hub of the world-famous Silicon Valley high-technology research and development center. Many of California's most popular national, recreational, and cultural attractions are conveniently close. A member of the 23-campus CSU system, San José State University enrolls approximately 29,000 students, a significant percentage of whom are members of minority groups. The University is committed to increasing the diversity of its faculty so our disciplines, students and the community can benefit from multiple ethnic and gender perspectives.

San José State University is an Affirmative Action/Equal Opportunity Employer. We consider qualified applicants for employment without regard to race, color, religion, national origin, age, gender, gender identity/expression, sexual orientation, genetic information, medical condition, marital status, veteran status, or disability. This policy applies to all San José State University students, faculty, and staff as well as University programs and activities. Reasonable accommodations are made for applicants with disabilities who self-disclose. Note that all San José State University employees are considered mandated reporters under the California Child Abuse and Neglect Reporting Act and are required to comply with the requirements set forth in CSU Executive Order 1083 as a condition of employment. The latest San José State University Safety 101 Uniform Campus Crime and Security Report is available. You may request a copy of San José State University's annual safety report by contacting the University Police Department at (408) 924-2222 or by visiting the [University Police Department](http://www.sjsu.edu/police) website at <http://www.sjsu.edu/police>
