Admission Requirements for MSME

In general, you must satisfy all of the followings:

1. A BS degree in Mechanical or Aerospace engineering.
2. 3.0 Grade Point Average in the last 60 units in your BS program.
3. GRE scores:
   a. A combined score of 1100 or higher in Quantitative and Verbal tests
   b. A score of 3.0 or higher in Analytical Writing test

NOTES
1. If you are an SJSU graduate or graduated from an ABET accredited institution, the GRE requirement is waived.
2. If your undergraduate engineering major is not in ME or AE, you can be considered for a conditional admission, which will require completion of some additional courses, depending on the previous course-work.
3. If you are a graduate of a foreign institution, you may need to satisfy the TOEFL requirement.
4. If you have a GPA between 2.5 and 3.0, you can be considered for a conditional admission.
5. Letters of recommendations are not required.
