NOTES: **(1)** These *sequence* are suggested because they cover multiple GE categories. These GE sequences are *suggested* but feel free to take any GE courses that interest you. The impact will be to reduce the number of Any Course Electives need to reach 120 units. **(2)** Math 71 or Math 30 are prerequisites for the B.S. in economics. **(3)** Select 'Econ Electives' from any upper division economics course that is a 4 unit class. There are 6 Econ Electives in the B.S. degree. **(4)** There are 4 upper division Required Economics courses. Econ 101 and Econ 102 should be taken as soon as possible but the order doesn't matter. Econ 103 and Econ 104 can be taken later. **(5)** Econ 100W can also be used to satisfy one of the Econ Electives and simultaneously satisfy SJSU Studies Area Z. **(6)** 'Any Course Electives' give you latitude to select a minor or other courses that help you achieve outstanding Communication Skills, strong Statistical Analysis Skills, renewed Critical Thinking skills, and the ability to apply economic concepts.

** Either B1 or B2 requires a B3 lab component.
